

Testimonial from AUSTRALIA

Hi Arvind,

I am hoping FOR SOME ADVICE based on your engineering experience.

I'm working with Melbourne based start-ups / developing video makers.
Apps are in their early stages.

So, ANY ADVICE would be super HELPFUL, on “how can risks, contingencies or issues be foresighted, so that they are pre-empted before they mature?”

Lachlan Tetlow-Stuart (15 Jun 2016)

RE: **Advice** (4 Jul 2016)

Thanks Arvind,

I REALLY APPRECIATE it.
